

Learn to Curl Information and Registration Form

Curling is an Olympic team sport that can be played by the entire family. Considered by many to be one of winter's most enjoyable sports, curling can be played equally well by anyone, regardless of age or physical ability.

The "Learn to Curl" Class is a 3-Week Course Meeting on Consecutive Wednesdays from 6:00-8:00 p.m.

- **November 29 – Introduction to the sport of Curling**
Learn about the history of the game, the layout of the playing surface, team structure, proper clothing and equipment, how the game is played, the scoring system, curling terminology, game strategies, the Tri-City Curling Club, Wisconsin and national organizations and associations, league opportunities, and bonspiels. Watch curling demonstrations and videos.
- **December 6 – On-ice Instruction and Practice**
Qualified instructors will guide you through the step-by-step process of how to deliver a curling stone. You'll learn how to throw in-turns, out-turns, take-outs, draws, hit and roll and many other finesse shots that you may be asked to throw during a game. You'll learn the art of sweeping stones – why and how it is done.
- **December 13 – Curl a Few Ends of an Actual Game**
It's time to apply your skills in a competitive curling match. Teams will be formed and you'll play as many ends as possible in 2 hours. We encourage rotating positions so you will have the opportunity to try each of the team positions. Instructors will be available to help with game strategy and assist with delivery and sweeping techniques.

Rookie League – December 20, 2017 to March 14, 2018

If you want to continue developing your curling skills, consider joining our Rookie League (if enough sign up). It's a 13 week schedule of games with team rosters made up of all first-year curlers. You will also have the opportunity to join a team or substitute in one of our existing leagues.

Registration Fee will be credited towards membership dues for any league you choose to join.
